

# DecoBrik™

*Your single-wythe masonry solution.*

DecoBrik™ is exclusively designed and produced by Rogers Block. This versatile product is available for both commercial and residential applications.

DecoBrik™ combines the functionality of block with the beauty of brick for a high quality and affordable exterior. We produce DecoBrik™ in a variety of solid, blended and flashed colors to meet all your color specification needs!

#### Benefits of using DecoBrik™:

- Single-wythe masonry is structural; the cores can be grouted and insulated
- Faster installation than brick composite wall - Finished appearance inside & outside
- Masonry Walls have the rich appearance of brick with the cost efficiencies of block
- Municipalities today require more than splitface block from developers - DecoBrik™ meets the requirements of Architectural Review Boards
- Noise reduction is a benefit when used for privacy walls
- Cost per sq/ft up to 30% below clay masonry - special shapes are available
